

## KAVALAN 金車噶瑪蘭威士忌系列

Kavalan distillery, founded by King Car Group, utilizes Taiwan's unique natural resources and remarkable technological skills, aiming for the first whisky distillery in **Taiwan**.

Kavalan group holds their initial hopes and would not give up, aiming to establish the solid foundation of the distillery. The effort goes into every drop of new make spirit and every seasoned cask we choose. Coupled with the mastery of the blender, they ensure the silky smoothness and distinctive flavours of Kavalan whisky. The first bottle of Kavalan was released in December 2008 and now it is the best-selling expression. The recipe of classic Kavalan is complex and contains different types of casks- fresh bourbon, fresh sherry and refill casks rendering the spirit a multilayer of fruity and floral notes.

Whisky Magazine has named Kavalan distillery 2011 World Icons of Whisky, "**Whisky Visitor Attraction of the Year**". Kavalan, the earliest tribe that inhabited Yilan, represents sincerity, honesty, and the spirit of step-by-step cultivation. Kavalan distillery continues the tradition of passionate commitment to creating the premium whisky.

*JH 94: "Lucky Leeuwin Estate, proclaims this wine. I was part of a discussion a decade ago about the style of Leeuwin's Shiraz, some feeling it needed more, perhaps a touch of viognier. Leeuwin's two Shirazs from '11 comprehensively answer the question in the negative: the elegance and restraint of the wines is of the same class as all the wines in the portfolio. Great value, too."*
