

# Joseph Drouhin

With its 73 hectares (182.5 acres), Joseph Drouhin is one of the largest estates in the region. It owns vineyards in all of Burgundy and included a majority of Premier and Grand Crus, planted with the two Burgundian grape varieties, pinot noir and chardonnay. In order to express the exact character of each terroir, they have chosen the organic and biodynamic approach. They also pick the grapes in small perforated crates in order to protect and preserve the integrity of the fruit. The owners are eager to pursue elegance and perfection in their wines. "Joseph Drouhin style" marries balance, harmony, finesse and character. This combination of riches provides infinite pleasure.

## Joseph Drouhin Montrachet Marquis De Laguiche 2004

Marquis de Laguiche has been considered heirloom treasures for their incomparable quality. This property (2.06 hectares) is actually the largest parcel of the Montrachet vineyard and has been in the hands of the Laguiche family since 1363. The Drouhin family is in charge of its cultivation and vinification and, since 1947, has spread and preserved its worldwide renown.

**Tasting Note by Veronique Boss-Drouhin:** "An authentic masterpiece! This wine should be regarded as the yardstick by which all other Burgundies should be judged. The colour has a splendid golden sheen. On the nose, a multitude of aromas are a pleasure to discover: floral notes of lily of the valley, peach blossom, exotic fruit, honey, grilled almonds, even exotic woods at times. On the palate, the structure is dominated by a harmonious roundness which never imparts any heaviness. The aftertaste is exceptionally long and enhances the finesse of the whole. A glorious symphony of sensations!"

**Tasting Note by Allen Meadow (93 points):** "This too displays noticeable wood influence on the much more reserved and backward nose featuring white flower, spice and powerful green fruit aromas that continue onto the rich, full and sleekly muscled flavors that possess outstanding intensity and more minerality than I usually find in this wine. This should be capable of extended aging as there is a generous amount of dry extract that coats the palate on the wonderfully long backend."
