Time for some matured and well-drinking Bordeaux now, vintages include **1970, 1975, 1978, 1979, 1982, 1983, 1985, 1987, 1989, 1990** etc... We understand that for matured and aged wines, **provenance** is a big concern, that's why we have included **where we sourced the wine and whether we bought them OWC or in loose bottles**. These may be some key factors on your buying decision and we hope to give you more assurance in the buying process. Please feel free to contact us for photo reference on wines or if you may want to find a particular in a particular vintage that is not featured in this issue.
