

Krug Les Creations:

The Meeting of Krug Vintage and Grande Cuvee

“When I think of who Krug Lovers are, I see that they are independent people, with unique personalities and strong self-confidence. They are lovers of contrast and paradox, seeking enjoyment. They want an unforgettable experience, pleasure beyond perfection” ~ **Olivier Krug, Director of the House of Krug and sixth generation of the Krug family**

Wineworld has recently secured some allocation of “Krug Les Creations” to share with true fans of Krug. Each Les Creations case features three bottles of Krug Grande Cuvee and three bottles of Krug Vintage champagnes. Non-vintage champagne is the best ambassador of a champagne house’s style whilst its Vintage offerings showcase a champagne house’s true excellence. For centuries, Krug’s non-vintage Grande Cuvee has guaranteed loyal drinkers of consistency and quality; whereas its Vintage release rewards champagne lovers of handcrafted expressions of outstanding Champagne vintages.

Krug Grande Cuvée

Traditionally, Krug has been known for its generous use of reserve wines from an extended range of vintages in its non-vintage offerings. Krug fans are guaranteed a divine concoction of usually over 100 wines from 10+ vintages in Krug's inimitable non-vintage Grande Cuvée. Since 2009, Krug has decided to divulge their N.V. recipes, starting with 155ème edition with a focus of 1998 base wine. Each subsequent edition focuses on a different base wine year, with some featuring different Krug ID number to signify a different time of disgorgement.

Krug Grande Cuvée's timeless character and unforgettable sensations reconcile the paradoxical: fullness and finesse, maturity and freshness. Blend of around 120 wines from ten or more different vintages and three grape varieties.

Krug Grande Cuvée's exceptional finesse expressed through its subtle bubbles is: the result of resting for at least another six years in Krug's cellars.

Deep golden colour and fine, vivacious bubbles, predicting fullness and elegance.

Aromas of flowers in bloom, ripe & dried fruit, marzipan, gingerbread and citrus fruits.

Flavours of hazelnut, nougat, barley sugar, jellied and citrus fruits, almonds, brioche and honey.
