Highland Park Orkney Island Single Malt 1958

Bottle number 340 of 665 in Great Condition

We have just recently secured this very rare and special bottle of Highland Park Orkney Island Single Malt whisky from a whisky collector. The bottle was secured 6 years ago from a reliable UK seller and has since then been kept in a professional storage in Hong Kong.

This Highland Park 1958 is a very limited edition of 665 bottles of 40 Year Old Highland Park Single Malt Scotch Whisky. The 1958 is presented in a wooden presentation box which also contains a unique hand-blown, hand engraved Caithness Glass Decanter depicting the stone circle at the Ring of Brodgar on Orkney, with a solid glass stopper featuring the "H" and a specially commissioned hardback book celebrating both Whisky and Orkney. All four items are numbered (e.g. the bottle that we are showcasing here is bottle no. 340 of 665) and Jim Robertson, Highland Park's previous Distillery Manager, has personally signed each book.

The condition of the wooden case and all contents within are of the best of condition. This is a not-to-be-missed item for those who may wish to add this special whisky to their collection; or to present as a gift to a special someone who is celebrating 60 years old birthday this year.
