Delamotte Brut NV (WA91)

55% Chardonnay with 35% Pinot Noir and 10% Pinot Meunier. It is clear, round and spicy on the predominantly fruity and vinous nose with its delicate chalk and hazelnut flavors. On the palate this is a lithe, finessed, fresh and elegant Brut with good structure and a pure, salty-mineral and cleansing finish. The mousse is highly delicate, the whole performance almost filigreed yet well structured.

Fresh and well-defined with red fruit aromas. Very delicate and fresh on the palate, this Champagne is pure, mineral and chalky, with lovely mineral grip, tension and good length. This is excellent quality with grip, intensity and tension. There are sweet cherry aromas.

Champagne Delamotte

Maison Delamotte has been a **benchmark in Champagne** since 1760. The firm's wine is among those preferred by the Champenois who recognise consistent quality and unflinching respect for the terroir and the Côte des Blancs. It is in the choice of Champagne Delamotte that the hedonist, the lover of subtle pleasures, stands out from the crowd. Fashionable but never stereotyped, their choice is produced with great care and passion in a place where nature is expressed most openly. This is luxury perhaps in the truest sense of the word.

Le Mesnil-sur-Oger, Avize and Oger are villages where Chardonnay lights up the landscape. This delicate variety, confronted in the Côte des Blancs with a striking terroir, finds here the perfect combination to preserve its freshness intact over time.

Champagne Delamotte expresses to perfection the characteristics of this noble variety. Light, gossamer-textured, impertinent, more complex with ageing, discrete yet present, heady but not heavy.
