Cristom Pinot Noir Sommers Reserve 2007

Oregon, USA

The 'Sommers' is comprised of grapes from our four estate vineyards along with some purchased fruit. It contains fruit from fourteen vineyard sites. The Reserve designation 2480 seven different Pinot Noir clones. Cristom introduced the "Sommers Reserve" with the 2004 vintage, replacing the Cristom Reserve designation and continuing stylistically as the same wine. 'Sommers' is Jessie's (of Jessie Vineyard) maiden name.

Origin: 87% Eola -Amity Hills, 7% Willamette Foothills, 5% Dundee Hills, 1% Yamhill-Carlton District (65% Estate fruit)

Appellation: Willamette Valley

Fermentation: Although this wine is made from many individual lots, they were generally fermented with 35% whole clusters. Native yeasts were used exclusively in open top fermenters ranging in size from one to seven tons.

Aging: Seventeen months in Burgundian cooperage, 53% new oak

Bottling: Blended and bottled unfiltered in April of 2009

Alcohol: 13.9%

Winery Tasting Notes: *"Tasted after one year in bottle. The attractive and complex aromas of raspberry and cocoa powder lead to a very balanced, textured and layered wine on the palate. The fruit flavors are buttressed by sweet vanilla and graham cracker notes. The wine has great nerve, persistent length and good potential for short to medium term cellaring."*

Robert Parker 90 points: *"The 2007 Pinot Noir Sommers Reserve is a barrel selection aged in 60% new oak. It exhibits an expressive nose of cinnamon, allspice, smoke, black cherry and black raspberry. On the palate it has plenty of succulent fruit, good depth and concentration, and enough structure to evolve for 2-3 years. It will be at its best from 2011 to 2019."*

Giant Steps Applejack Pinot Noir 2013

Yarra Valley, Australia

Applejack Vineyard is owned by highly respected viticulturist Ray Guerin and is managed by his son Mark. This vineyard is situated in the Upper Yarra Valley to the south east of the traditional 'valley floor'. The higher altitudes result in cooler growing conditions. The distinctive dark-red volcanic loam soil is a distinguishing feature of the vineyard. Applejack Vineyard is located on a dramatic slope and is close planted and meticulously managed.

Oak: 10 months in French burgundy coopers

30% new French oak (Bossuet and Taransaud), 20% 1 year old, 50% older

"Top 100 Wines of 2014" from James Halliday

James Halliday 96 points: *"Bright, deep and clear crimson; the bouquet is very fragrant, the palate brimming with plum and red and black cherry fruit, yet retains a fluid grace. A worthy successor to the acclaimed trophy-winning '12."*
