CAYMUS  
VINEYARDS

Caymus Vineyards remains 100% family-owned by the Wagners. The remarkable family team has worked together for over 30 years building Caymus Cabernet. The new generation of the Wagners has joined in with the same priority of farming grapes on about 350 acres of Napa Valley land.

### Caymus Special Selection 2012 (1.5L)

**Caymus Special Selection is the flagship wine of the Wagner Family and is comprised of the very best barrels of the vintage. This wine is not produced in difficult years.**

**Robert Parker 96:** "The 2012 Cabernet Sauvignon Special Selection has a dense blackish/purple color and creamy, sweet crème de cassis fruit, blackberries, a touch of graphite and vanilla. This exuberant, boisterous, in-your-face style of Cabernet Sauvignon is clearly a fruit bomb, so be warned. Full-bodied and opulent with stunning concentration and richness, the wine has no hard edges and is much in the Caymus style of terrific fruit intensity (most of it black and blue), voluptuous texture, and a stunning finish with plenty of glycerin, wood and spice. The alcohol on the label is listed at 14.8%, which seems about accurate. This can be drunk now, or cellared for 20+ years."

**Dr Crane 2012 (by allocation)**

**Robert Parker 100:** *"A blend of 95% Cabernet Sauvignon and 5% Petit Verdot, Realm's perfect 2012 Cabernet Sauvignon Beckstoffer Dr. Crane Vineyard exhibits a La Mission Haut-Brion-like bouquet of blueberries, scorched earth, burning embers and spring flowers, a dense, opulent, full-bodied mouthfeel, and a staggeringly long, multidimensional, 60-second finish. It can be drunk with enormous pleasure now, but promises to evolve for at least a quarter of a century."*

**\$2,980/Btl** (only for sale in Realm Experience Set)

**The Bard 2012**

**Robert Parker 99:** *"The 2012 Proprietary Red The Bard, a 500-case blend of 95% Cabernet Sauvignon and 5% Petit Verdot, is meant to showcase the finest Cabernet Sauvignon grapes they access from such great Napa Valley sites as Beckstoffer To Kalon, Beckstoffer Dr. Crane, Fortuna and Weitz. Beautiful notes of pungent baking spices, licorice, melted chocolate, espresso, blackberries and cassis soar from the glass of this ostentatious, flamboyant, classic, locked-and-loaded Cabernet Sauvignon. There is some tannin lurking under the surface, but this majestic superstar behaves as if it wants to be drunk young as well as over the next 15-20 years."*

**\$2,080/Btl**

**To Kalon 2012**

**Robert Parker 97+:** *"The 2012 Cabernet Sauvignon Beckstoffer To Kalon emerges from another first-growth vineyard that was acquired by Andy Beckstoffer in 1993, and planted with multiple clones of Cabernet Sauvignon and a small amount of Cabernet Franc. The 2012 reveals incredible complexity and density with notes of Christmas fruitcake, baking spices, licorice, crème de cassis and forest floor. Full-bodied with the vintage's opulence and drama, this 100% Cabernet Sauvignon was fashioned from Clones 4 and 337. It should age effortlessly for 25-30 years."*

**\$1,920/Btl**

### Farella 2012

**Robert Parker 96+:** *“The single-vineyard 2012 Cabernet Sauvignon Farella Vineyard comes from a hillside, cool-climate site in the Coombsville AVA in the eastern Vaca Mountains. In the past, much of this fruit went into early vintages of Opus One. This is a tannic, opulent, backward, primary effort displaying an inky/purple color along with notes of incense, camphor, toast and abundant black fruits. Full-bodied, dramatic, slightly tannic and structured, this masculine-styled 2012 will benefit from several years in the cellar, and should drink well for two decades. A true first-growth vineyard is the Beckstoffer Dr. Crane Vineyard, which is located in the heart of St. Helena just off Route 29.*

Shafer’s Hillside Estate Vineyard consists of 54 acres all on steep, amphitheater-like, rocky outcroppings and knolls. It receives the full benefit of southeasterly sunlight, and enjoys the afternoon breezes that blow up from the San Francisco Bay channel. Its unusual geographic features favor the intense flavors of the Hillside Select Cabernet Sauvignon, and explain why it is able to spend 32 months in 100% new French oak without a woody taste.

### Shafer Hillside Select 1994

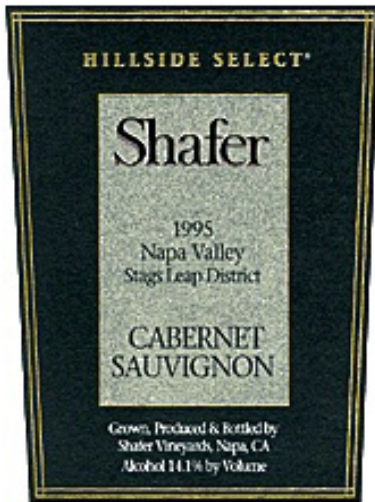

**Robert Parker 96:** *“A spectacular wine, the 1994 Shafer Cabernet Sauvignon Hillside Select begins a succession of profound Hillside Select cuvées that continues nearly uninterrupted (1996 misses slightly) to the present day. It is a further indication of just how impressive this team’s performance has been at this winery. The fully mature 1994, which has another 15-20 years of drinkability ahead of it, exhibits a complex, nearly flamboyant nose of subtle oak, blue, red and black fruits, graphite and licorice. The gorgeous aromas are followed by an opulent, full-bodied, multidimensional mouthfeel that coats the palate.” -- tasted in Dec 2014*

**\$3,780/Btl**

## Shafer Hillside Select 1995

**Robert Parker 98:** *“Interestingly, the first thing that came to my mind in smelling the 1995 Shafer Cabernet Sauvignon Hillside Select was a relatively young vintage of Chateau Latour. Another fabulous effort, with notes of blackcurrants, graphite, a touch of vanilla, sweet tannin and a full-bodied, multidimensional mouthfeel, this vintage offers stunning aromatics of black fruits, earth, charcoal and lead pencil shavings. In addition, there is an intense, full-bodied mouthfeel, and a youthful vibrancy and vigor that are sensational. This is an amazingly young wine that’s coming up on 20 years of age and another great example of just how these best terroirs of Napa can produce incredibly long-lived Cabernet Sauvignons. It should last at least another two decades as well.” -- tasted in Dec 2014*

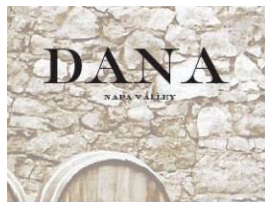

**\$3,880/Btl**

## Shafer Hillside Select 1997

**Robert Parker 96:** *“The 1997 Shafer Cabernet Sauvignon Hillside Select is a relatively evolved style for Hillside Select and seemingly more advanced than the older vintages, such as 1995 and 1994. Nevertheless, there is plenty to excite. It’s a big wine, dense purple in color with some lightening at the edge, plenty of crème de cassis fruit, lead pencil shavings, sweet vanilla and earth. It is very ripe, full-bodied, opulent and voluptuously textured. This is terrific stuff, hedonistic, showing secondary/tertiary nuances in the aromatics and essentially a full resolution of the tannin. This wine also seems to have come into its own and is clearly at its peak of flavor. Drink it over the next 10-15 years.”-- tasted in Dec 2014*

Proprietor Hi Sang Lee has resurrected this once historic estate in Rutherford where the winery was first constructed in 1883 by H. W. Helms. Hi Sang and renowned architect Howard Backen worked carefully with winemakers Philippe Melka and Cameron Vawter to insure that the space and facilities would enable the production of consistently world class wines.

## Dana Cabernet Sauvignon Hershey Vineyard 2011

**Robert Parker 90-92:** *"The fruit for the 2011 Cabernet Sauvignon Hershey Vineyard was picked on November 2, and it is certainly one of the stars of the vintage, reflecting the success Howell Mountain enjoyed in this vintage. It possesses excellent ripeness along with mulberry, blueberry and black raspberry fruit intermixed with hints of wet rock and graphite. Ripe, lush and medium to full-bodied with sweet tannin, this beauty, because of the precociousness and forward character of the 2011s, is best consumed over the next 10-12 years."*
