

Bringing the world of wines to you

Founded in 1885, Ridge relies on nature and tradition rather than technology. Ridge's approach is straightforward: find intense, flavorful grapes; intrude upon the process only when necessary and draw the fruit's distinctive character and richness into the wine.

"Ridge, perched on a ridge 900m above the Pacific on the San Andreas fault above Silicon Valley, has been producing appetising, claret-style wines for half a century and has built up a faithful international clientele. Monte Bello, its top wine made from its finest bordeaux grape varieties, is modestly priced by California standards." – **Jancis Robinson**
