

**Robert Parker called E Guigal "this planet's greatest winemaker".** One of the most recognized names of Rhone, Guigal produced a myriad of wines from different appellations in Rhone. They specialize in producing wines of all quality levels, from a humble, well-balanced everyday wine from Cotes du Rhone to some of the most sought-after wines in the world - the famed trio of "La, La, La" from the best vineyards of Cote Rotie. We dedicate this newsletter to Guigal's hidden gem "La Doriane". This 100% Viognier is considered the flagship white of Guigal and it strikes a perfect balance between freshness and opulence - an essential trait of a great Viognier. Check out our full Guigal selection and feel free to talk to one of our wine specialists for more information about each of the below wines.

### E Guigal Condrieu la Doriane (WA94)

"2016 Condrieu la Doriane is entirely barrel-fermented in new oak. This vintage seems more restrained and less rich than some others, but it remains marked by smoky, grilled apricot aromas and flavors. It's nicely balanced and not overly opulent, retaining a sense of elegance on the long, spicy finish."
